Work History

Staff Engineer Forsberg Engineering & Surveying, Inc. 2001 – Present

Professional Experience

Mr. Johnson has fifteen years of surveying experience in South Carolina. Prior to becoming registered in 2007, Mr. Johnson worked as a survey crew party chief for 6 years at Forsberg Engineering & Surveying, Inc. He was the primary surveyor for quality control surveying on the Cooper River Bridge Replacement Project. His experience includes construction layout, boundary, topographic, route, ALTA, and vertical surveys. Other projects that Mr. Johnson was a part of include the Springfield Elementary and Montessori School Replacement Project, MUSC G Lot Expansion, Grand Oaks Subdivision, and West Ashley Wal-Mart, and the Glenn McConnell Parkway Extension.
